The results from the GED, SAT or ACT tests must be submitted in lieu of a GPA if:

- You participated in a home schooling program or attended an unaccredited high school.
  - You attended a high school or college outside of the United States and are unable to have those grades converted to a 4.00 scale or your school did not grade in a manner that can be readily converted to a 4.00 scale.
  - Students who have been out of school for five years can choose to submit either test scores or their GPA.
    - Scores from the California High School Proficiency Examination (CHSPE) cannot be accepted in lieu of a high school GPA, but passing the CHSPE does meet the high school graduation requirement of the Entitlement Cal Grant program. Also, grade reports, transcripts, and other proficiency certificates WILL NOT BE ACCEPTED.
9. *Student signature:* By signing this form, you certify that you have read these instructions and that the information you provided is correct. It is illegal to report false or misleading information on this form and doing so may result in any Cal Grant award being revoked.

Once you have filled out the student information, take the form to your school and request that they verify your GPA. Be aware that if your school will be electronically submitting your GPA to the California Student Aid Commission, you do not need to submit this form. It is your responsibility to verify that the school will be submitting your GPA for you.
